

DR. DISH ALL-STAR+

NEXT LEVEL ANALYTICS

Track and save every shot with the All-Star+, allowing you to review team and individual statistics, trends, and heat maps. Plus, access our complete training library right on the screen or online.

UNLIMITED PROGRAMMABLE PASS LOCATIONS

Build a drill with unlimited locations on our 8" HUD true touchscreen.

ADJUSTABLE NET

Easily adjust to different heights for players of all ages, 351 cm to 367 cm.

SHOTS MADE COUNTER

Mechanical counter tracks your makes and misses for 99.6% accuracy.

MULTI-RANGE PROGRAMMING

Program 2s, 3s, and free throws all in one drill and create a more complete heat map in the process.

DIGITAL REMOTE

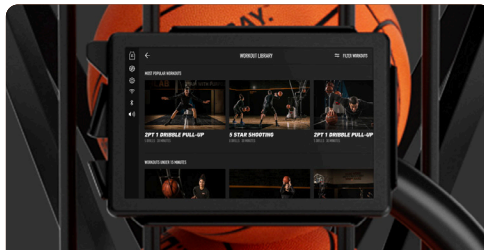

Use your phone like a remote to pass the ball anywhere on-demand.

DR. DISH TRAINING MANAGEMENT SYSTEM™ ACCESS

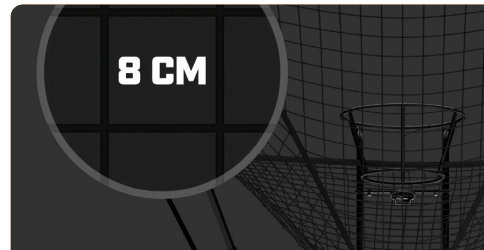

Analyze team shooting data plus create, save, and assign custom drills, workouts and programs to your players.
